The realtime solutions

DigiProm® combines your content over the internet and reach more people on multiple B2I websites. Business to Individual Websites will be produced in **realtime** for each individual user. The most content will be produced on the social websites. Why? It's easy to handle and the user knows how to handle these CMS (Content Management Systems). So we have the focus on these content types. It's made to share, already release and has one goal to reach people.

Realtime macstadium.solutions

Use the new macstadium Promotion Tools to reach much more users and gain more relevant traffic, likes, views from most well known social media platforms as **Facebook®**, **Twitter®**, **YouTube®**, **Vimeo®**, **Twitch®**, **Issuu®**, **Slideshare®**, **Xing®**, **Pinterest®** and **Instagram®**.

Start to think beyond the picture that you or your company have of Twitch® and their wallet garden. More than 70% of the social media pictures and their communication from companies are advertising driven.

But there are so many things to show and tell interested people beyond the advertising based and advertising focused story telling part.

So why you don't use this social channel in the way it was build or developed for?

Find with a very simply way that other user who are are comitted and interested to your brand, products or services will proud to be part of it?

Ask your social agency if they have already save your brand on this social channel and why they didn't offer you until now, your own ntlld social domain?

Build a different and digital universe out of your brand. DigiProm® Solutions are realtime solutions and developed in a trinary aspect. So you or your company, your clients and your users.
